---

As a firearm owner, it is your responsibility to ensure that guns in your home are stored where they are inaccessible to children or other unauthorized persons. Hiding a gun in a closet, drawer or similar location is not safe storage. Safe storage is employing precautions and multiple safeguards that provide an additional barrier against unauthorized use. Ideally, cable-style locks should be used in addition to primary storage system like a gun safe or vault. The Brighton Police Department participates in Project ChildSafe and has free gun locks available! Stop by the Police Department at 3401 E. Bromley Ln. and ask for one at the front desk. Questions? Call 303-655-8747.
